Caitha Thomas, a procuress and denizen of an alley facing on Limestone street, was in Judge Whitaker's Court yesterday on the charge of having enticed a young girl under 14 years of age into her den for the purpose of practicing immorality. The girl was given in charge of relatives and the degraded woman held over to the Circuit Court in the sum of \$200, in default of which she was committed to Jail.

CAUTION!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its popularity all these years, you will be thankful that we called your attention to Fischer's German Syrup. There are so many other powerful remedies made by druggists and others that are cheap and good for colds perhaps, but not severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficulty of expectoration and coughing during the night and morning, there is nothing like German Syrup. The old use has just been introduced this year. Regular size 75 cents. At Henry W. Roy's, next door to Twentieth.

DeWitt is the Name.
When you go to buy **Witch Hazel Salve** look for the name **DeWITT** on every box. The pure, undiluted **Witch Hazel** is used in making **DeWitt's Witch Hazel Salve**, which is the best salve in the world for cuts, burns, bruises, boils, eczema, and piles. The popularity of **DeWitt's Witch Hazel Salve**, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name of **E. C. Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless cases of this kind are cured, the patient will be left deaf for life. It is this condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

CAPTAIN E. W. CRUMBAUGH's Ashland Crisis was six months old Saturday and it kicks hard enough to be a four-year-old mule.

It begins to look like every time the late General CASSIUS M. CLAY ran out of somebody to shoot, that he sat down and wrote a will.

TOM CAMPBELL the notorious, with the aid of the subsidized Cincinnati Enquirer, is again trying CALEB POWERS and ex-Governor TAYLOR in the newspapers.

It isn't CURT JETT the assassin who is on trial at Cynthiana. It is Judge HARGIS, the Democratic County Judge of Breathitt, who directs the killings and pays the freight.

You couldn't make the ladies of Marion, O., believe that 13 is an unlucky number. Two years ago 13 young women of that town formed an "Old Maids' Club," and now the whole bunch is married—at least, eleven are already happy and the two others soon will be.

WHEN a man who is "beating" his way falls off a freight train and is killed, somebody sues the Railway Company for \$25,000 damages. When a man falls off a wagon and is run over and killed on a turnpike, why doesn't somebody sue the Turnpike Company for damages?

THE monthly comparative statement of the Government receipts and expenditures shows that for the month of July, 1903, the total receipts from all sources was \$48,611,575 and the disbursements \$56,388,188, showing a deficit of \$7,876,613—practically the same as last year. The excess expenditures are due to payment of large sums for interest on the public debt.

It is now claimed that JAMES COOPER, the brutal murderer of CHARLTON HULETT at Lexington, is insane. How strange that insanity is never discovered in so many cases until the afflicted person has killed some one.

THE Louisville Post says Senator ALEX. HARGIS appeared before the Breathitt Grand Jury, not as a witness, but as an attorney, urging the indictment of COLBIRON, who had the audacity not to shut his eyes when he saw one man shoot another. In Breathitt the Hargis brothers seem to be a law unto themselves.

JUDGE HARGIS, observes The Louisville Herald, religiously and patriotically declares: "My first consideration is for the Baptist Church, my second for the Democratic party, and next comes my people." The Baptists are a powerful, self-respecting denomination, not at all likely to select for patron saint a man who declares he will "do as he damn pleases."

LAWRENCE MURPHY, ex-Treasurer of the Journeymen Stonecutters of New York, has been convicted of stealing \$12,000 from that organization. Murphy was a promoter of grafts, and, in fact, is accused of blackmailing employers, \$10,000 from this source having been discovered. MURPHY and the Walking Delegate are the real foes of organized labor.

By the way, how would you like to be in the newspaper business in China? Colonel SHEEN SCHEN, a Pekin journalist, has just been beaten to death at the order of the Dowager Empress because he was a reformer. His punishment lasted for two hours and the flesh on his back, arms and legs was reduced to ribbons. Some of the "reformers" in this country might make a note of this, and thank their stars that they are not trying to reform China.

By a vote of 41 to 24 the New York Board of Aldermen has for the second time defeated the appropriation of \$6,632,000 for the Manhattan Bridge, the opposition being to the proposed eye-bar construction, which had been suggested in place of wire cables. If the able Engineer had proposed the crowbar construction, there's not a doubt but what the appropriation would have gone through with a whirl, and each Alderman would have made good use of his crowbar.

"As Ye Sow, So Shall Ye Reap!"

The Bible so states, and the Bible is truth. Some sow wild oats and reap the whirlwind; others sow good deeds and reap contentment; but nearly every one sows wheat. In Mason and adjoining counties most every wheat sower reaps contentment, because they sow wheat with a Richmond Champion Patent Double Disc Drill. Fact. If doubtful send for our testimonial book. There are over 530 farmers in this section using Richmond Champion Drills. We would like for you to see what they say. That little disc does the business. Each feed run has two discs and the wheat is delivered between them. These two discs hold all the dirt out until the wheat reaches the bottom of the furrow and then covers it from both sides. The rains beat the dirt to the wheat from both sides. The wheat is fed from both sides in growing. PROVIDENCE HELPS THOSE WHO HELP THEMSELVES. Do your part by seeding as common sense teaches you is best and leave the results to Providence. Look at a CHAMPION DRILL and see if it is a common sense way of seeding.

WE ARE FISHING

For your wagon trade. You will want a new wagon to haul off that wheat and house that tobacco, and we earnestly ask you to look at the wagon made by Mr. Fish. NEVER FISH FOR SUCKERS, but they leave unpainted the underneath side of all axles, bounds and coupling poles so that you may see what kind of wood you are buying. If it is a good thing it is on a Fish Bros.' Wagon. Their long experience has added many beneficial patents until today there are more exclusive good things upon Fish Bros.' Wagons than upon all others combined. We earnestly ask you to look at a Fish Bros.' Wagon.

WEAK, IRREGULAR, PAINFUL HEARTS

Sometimes the heart grows irregular—is the seat of pain and pressure. People are apt to think it due to some organic or structural disease of that organ, when the cause is comparatively simple—a weakened motor power—a trouble wholly due to the nervous system, perhaps aggravated by a nervous dyspepsia. Put the nervous system right—give it strength and tone—supply through its medium the heart with power and the stomach with digestive juices and the trouble fades like snow in a summer sun. It is for this wonderful power Dr. A. W. Chase's Nerve Pills are world famous.

Dr. Thomas Maher of No. 212 Lee street, Maysville, Ky., says—

"I have been a sufferer for some time from heart failure and acute nervous indigestion. Hearing of Dr. A. W. Chase's Nerve Pills I got a box at Chenoweth's Drugstore and now I am pleased to say the pains in that region of the heart have disappeared completely—its action is strong and regular and appetite is fine. I can recommend this medicine very highly as a safe, reliable and certain in such affections."

Doan's Kidney Pills make strong healthy kidneys.

Mrs. E. J. Thompson of 911 East Second street says:

"Mr. Thompson procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and speaks in high praise of their curative powers. Entire exemption from suffering from backache is something so entirely unusual that a remedy which acts so promptly and effectively as did Doan's Kidney Pills is a most desirable one of which to know."

HAD NOTHING TO SELL!

Countryman's Queer Conception of a National Bank's Business.

There's many an innocent and honest heart beneath a homespun jack coat, and ignorance of "city ways" is not always sure proof of the price of wheat on the Chicago Gambling Breaks.

Some time ago an old gentleman from Punkville made the rounds of Maysville's business houses, just to see how things were done and who did them.

During his perambulations he perambulated into the State National Bank, and as he hadn't ask for information of course it wasn't handed out to him on a scoop-shovel.

After sizing up about everything in sight he left, taking with him a stock of curiosity that would have put a feather-edge on a frow.

It was all so new and strange that he determined to find out just what sort of thing it was, so he dropped into a more familiar-looking dry-goods store near by, and worked off a few questions.

"Who owns that place across the street over there?" he inquired.

"Why, that's the State National Bank," responded Colonel Yardstick.

"W-a-a-l, I was just over there, and I seed a hull lot of fellers with their coats off a-workin' like thunder—and they didn't hev a darned thing to sell!"

"And having thanked the drygoods man for his information he struck out for a root-beer shop, with the satisfaction that only comes to a man who has learned something about the ways and the wiles of a great city.

Dysentery Cured Without the Aid of a Doctor.

"I am just up from a hard spell of the flux," (dysentery) says Mr. T. A. Plumer, a well-known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by J. J. Wood & Son, Druggists.

Not Over-Wise.

There is an old allegorical picture of a girl seated at a grasshopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by J. J. Wood & Son, Druggists.

Just a little too far and the woman who reaches over the cliff for the coveted flower goes crashing down into the abyss below. Just a little too far and the woman, who, day by day, neglects to cure the womanly diseases which weaken her is prostrated upon a bed of sickness.

No woman should trifle with the diseases peculiar to her sex. Neglect to-day means a worse condition to-morrow.

Dr. Pierce's Favorite Prescription is a safe and reliable remedy for the cure of diseases peculiarly womanly. It establishes regularity, dries encrusted drains, heals inflammation and ulceration and cures female weakness.

"My wife, Mrs. Mary Bates, has been taking your medicine and received great benefit from it," writes Mr. Geo. Wm. Bates, of Springgrove, Va. "Was troubled with female weakness, heavy bearing-down pains, severe pain in back and head, and a tired, worn-out feeling all the time. Tried all the remedies we could hear of, but they did no good. Finally we wrote to you and my wife commenced taking 'Favorite Prescription.' Took ten bottles, and is in better health than before in a long time. We shall always recommend Dr. Pierce's Favorite Prescription to all who are thus afflicted."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

The Common Sense Medical Adviser, 1000 large pages, in paper covers, is sent free on receipt of twenty-one one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

GOLD and SILVER!

When you get ready to buy your 50c, 75c and \$1 Shirts remember there is no shirt on the market which in any way equals the George J. Lee Gold and Silver Shirts. They are made from materials usually put in higher priced shirts; they are cut liberally so as to always be comfortable after being washed and shrunk. Please note the width through the body according to neck size and compare them with other makes, then you will understand why your shirt seems so scanty and tight after laundering:

Size of neck.....14 | 14 1/2 | 15 | 15 1/2 | 16 | 16 1/2 | 17
Width through body.....40 | 40 1/2 | 41 | 41 1/2 | 42 | 42 1/2 | 43

All shirts 34 inches and over in length. The sleeves are cut very full around the armhole, elbow and wrist, which remedies a fault commonly found in other makes. We have them in all length sleeves. We have them in both white and fancy, including the new shade of gray, at the above-named prices.

THE Maysville Elks Fair

AUGUST 19th, 20th, 21st, 22d.

Positively the greatest Fair ever held in this section and eclipses all previous Fairs. More features offered than to be seen at all other Fairs combined. A liberal Premium List covering all classes of stock. Hear Weber's Peerless Military Band of 25 soloists. See the famous Bickerts, trialists supreme. See Kennedy Bros.' Wild West and Roman Hippodrome, Roman Chariots and Standing Races. Make your arrangements to come, for you can't afford to miss this, the big event of the year. Remember the Parade on the first day; going to be bigger and better than ever before. Cheap excursion rates over the L. and N. and C. and O. Railroads. Write for Catalogue.
